***Some Terms or Conditions may apply see page 2**

Terms and Conditions Page 2

Elective Class Fee:

Each quarter LCS will offer different elective classes, one in the morning and one in the afternoon. Some of these classes will carry a fee or will require additional materials. Check with the teacher before enrolling in the class. Invoices will be sent the first week of class as soon as a class roster has been received. All fees are non-refundable.

PE Class Uniform:

PE Class uniforms are mandatory and consist of a LCS tee-shirt (\$10.00) and black shorts or sweat pants.

Additional Class Materials:

Examples: some English classes will have a required reading list. Novels may need to be purchased or checked out from your local library. Art classes may have additional class materials required. AP classes have a separate testing fee. Be sure to check with the teacher before enrolling.

Field Trips:

Field trips and their additional costs will vary from class to class. Teachers or advisors will provide individual information throughout the year.

Late or Dishonored Bank Charges:

Late charges of \$25.00 will be assessed to your account if any payment is not received within 10 days of the payment due date. Tuition is due on the 1st of each contract month and will be considered late and be assessed late charges if received after the 10th (unless other financial arrangements have been made). All returned checks or auto payments will be assessed a \$25.00 finance charge.

Delinquent accounts:

A student may not re-enroll unless all accounts from the previous school year are paid in full. Grade reports, diploma and records of any student or former student with a delinquent account will be withheld until the account is brought current or arrangements have been made. Any student whose account has become more than 30 days delinquent will be asked to withdraw unless arrangements have been made.

Withdrawn Students:

A student who withdraws for any reason mid-year will be charged the full quarter for which they are currently enrolled. Tuition will not be prorated according to withdrawal date. Any prepaid tuition will be refunded beyond the current quarter.

Discounts:

There are two ways to receive a discount on your monthly tuition. Discounts will be applied at a rate of \$100.00 per month (max \$1,000.00 per 2011-2012) Discounts apply only to accounts in good standing and will be discontinued if account becomes delinquent or if the reason for the discount ceases. Discounts will be applied on a current basis only and are not retroactive. Discounts may not be combined with other tuition reduction policies, such as scholarships.

New Student Discount:

For each **NEW 2011-2012** student you recruit who enrolls you will earn a \$100.00 discount each month toward your tuition. This new student must be a full time, full pay student. Another way to bring a NEW student includes hosting an international student (student must meet all LCS enrollment standards). These discounts are offered for one year and are not automatically renewed.

Sibling Discount:

Each family who has more than one sibling enrolled will receive a \$100.00 discount PER sibling per month. Example; a family with two siblings enrolled at LCS will receive a \$200.00 discount off their family's total tuition each month; a family with three would receive \$300.00 and so on (includes any child considered to be your dependent on your taxes, such as foster children living in the same home).
