

GLIMPSES OF LIFEGATE

Tom G. Administrator

Psalm 40:3 says that *He put a new song in my mouth, a hymn of praise to our God.*

As we look back on January and forward to February, we praise the Lord for all that is happening at Lifegate. January featured:

- Mission's week which was organized by Mrs. Roach and featured speakers who had served in other countries, had been a part of short-term mission teams, served locally in jail ministries, or coordinated and taught missions classes at college. It was an exceptional week that motivated all of us to think about reaching others for Christ.
- Basketball practices resumed after Christmas break and our team continued to improve under the direction of Jeb Flowers and Shawn Carmen. We lost our first two games, even though we were competitive, and the great news is that we won our last two games. I don't remember the last time we have been on the winning side, but it sure feels great!
- Our Dress Chapel featured Alan Gayle, senior pastor of Fairfield Baptist Church. Alan talked about getting stuck in our Christian lives, and how to get unstuck to worship and serve the Lord.
- Our winter retreat was organized by Mrs. Chandler and featured an "Amazing Race." Students were divided up into teams and then spent the evening racing through their Bible knowledge in a game format. The students enjoyed two meals, an overnight stay with fellowship and worship. Our Middle school went to the Zoo and had a great day.
- February features new electives, career seminars in career week, and spirit week at the end of the month. Mr. Langley is gearing up for our Drama Production that will come later in the school year. We are excited to get the second semester under way and a year of praise as we give thanks in all circumstances as directed in I Thessalonians 5:18.

Hot lunch menu are not available at this time. They will be posted in the weekly newsletter once received.

Parents:
Your student's semester grades are in RenWeb for you to see. If you have any questions or issues please call the office.

Eugene Symphony at the Hult Center February 14th

On Tuesday February the 14th all Lifegate students will be spending time at the Symphony. This will not only be an educational, but enjoyable experience. We hope to attend the first show at 10:15. The concert will last around 45 minutes and we should be back at school for lunch.

However we are asking for a donation from each student to pay for the ticket which cost \$5. If this proves to be a hardship for anyone please let the office know. This will be a time of great music and dancing performed by

The Eugene Symphony's 2011-2012 Middle and High School Youth Concerts, entitled Music on the Move. The event will explore the different dances which have had a profound impact on symphonic music. Local dancers will join the Symphony for this program. Students will not only learn about the musical depictions of the dances, but will also see them come to life through the dancers on stage. Additionally, onstage commentary provided by William Hulings will teach students about the countries where the music and dance originated. Pieces on the program include Copland's Hoe Down from Rodeo, Khachaturian's Sabre Dance from Gayane, and Piazzolla's Libertango, among others.

Please mark your calendars and remember the date. If possible please have you student bring in their cost of the ticket before the date.

Exact time will be determined and announced as soon as possible. We are always in need of those who would like to volunteer. Parents, please be sure that you are recording your volunteer hours. You may drop by the Office anytime and add your hours to the Log Book. These hours are recorded in Ren Web so if you like, you can check to see the accuracy of your hours that you have volunteered. Each family is required to have 30 hours of volunteer time worked before the end of the school year, or you will be billed for hours that are not completed. We do want to make sure that you are given the hours that you have worked. Also please continue to record your time whenever you help out. Lifegate Staff thanks all of you for your willingness to help out when needed. If you are unable to drop by the office, please call and give us the hours, time, and date of your service and they will be added for you.

Collecting 'Warm and Cozy' items for Hosea Youth Services, a ministry to homeless youth. It may seem like winter is already on its way out, but it still gets pretty cold out there if you are without permanent shelter. We can extend love and hope by donating hats, scarves, gloves, mittens, and coats to be given to the teenagers who weekly find help at Hosea Youth Services. These items can be left in the bin by the front office. Thank-you!
