

SCHOOL ADMINISTRATOR'S VISION STATEMENT

Lifegate Christian School seeks to provide a climate where students are inspired to learn and develop their spiritual, physical, and academic potential. We are committed to teach every subject in the context of Biblical faith and in developing within each student a sense of community in serving God and others. The goal of the school is to produce adult men and women, firmly committed to God, family, and the body of Christ. Our focus is upon preparing students for success in colleges, careers, and life.

Lifegate Christian School will:

- ▶ Provide care, encouragement, and respect for every student
- ▶ Help all students (within the school's ability) to reach their full potential
- ▶ Maintain a solid grasp on the unchanging truths and core message of the Bible
- ▶ Employ and train the finest staff possible
- ▶ Develop, evaluate, and update a curriculum that will lead to excellence in education

How will the school prepare my child for life? Our goals are to:

- ▶ Develop and strengthen their faith
- ▶ Develop a Christian World View
- ▶ Prepare students to succeed in careers and higher education
- ▶ Provide Christian service to others
- ▶ Prepare students to exercise moral leadership

In His Service,

Tom Gregersen
Principal
